

SECURITY SAFETY CHECKLIST

Not able to tick all the boxes? Contact OHEAP and our team of security experts can help you close the gaps.

- ☐ Are your security systems still effective?
- ☐ Can you track all entry and exit activity?
- ☐ Is there a clear access process in place?
- ☐ Are access permissions up to date
- ☐ Have you eliminated any blind spots in your security?
- ☐ Has your site had any recent structure changes?
- ☐ If so, has your security been updated to match recent site changes?
- ☐ Can you quickly detect and respond to threats?
- ☐ Is your workforce safe everywhere on-site?
- ☐ Have all security systems been recently serviced?
